January 25, 2017

Community Member,

2016 was a busy year for the Heavener Chamber. As you are aware, the Chamber sponsors a number of activities each year that require additional community support. Our Board of Directors voted to give our individuals and business owners the opportunity to commit as sponsors to major events at the beginning of each year. This arrangement is mutually beneficial, because it allows the Chamber and its Members to plan our budgets more efficiently. Eddie Freeman, First National Bank endorsed the plan by saying, "First National Bank is proud to be a sponsor. We know that our investment in the Chamber will be well utilized to promote and grow the area we live in."

You will find a list of the sponsorship levels below. **Please remember that sponsorship is on a voluntary basis and does not include your membership dues.** If you choose to adopt one of the sponsorship levels, the Chamber will not solicit you or your employees for any Chamber programs listed under your sponsorship level during the forthcoming year. However, information regarding new or additional Chamber programs will be mailed or emailed to you, so that you will be kept informed of events and will have the opportunity to participate if you would like to do so.

If you choose to become a Sponsor and would like to pay your membership dues and Sponsor amount at the same time, you may do so. If you have any questions regarding the amount of your dues, please call our office.

Your participation in the Sponsorship program, and the recognition you receive on our website, in our online member directory and annual events will reinforce the community's perception of you as a community leader.

Thank you for your consideration.

Sincerely,

Melinda Ballantine
Chamber Manager
